

Computer Engineering Teaching Appointment – University of New Haven

COMPUTER ENGINEERING: The University of New Haven Department of Electrical & Computer Engineering and Computer Science in the Tagliatela College of Engineering invites applications for a one year teaching appointment starting Fall 2008. It is anticipated that a tenure track position, for which the appointee will be eligible, will become available in Fall of 2009. Duties include teaching graduate/undergraduate courses in digital systems design, embedded systems, and computer architecture. Although an earned doctorate in computer engineering, electrical engineering or a related field is proffered, Ph.D. candidates within one year of graduation will also be considered. Successful applicants are expected to have a strong commitment to teaching and laboratory-based instruction.

Send a curriculum vita, contact information for three references, and a letter of application indicating teaching and research interests to: Search Committee Chair, Search #08-27 at hrdept@newhaven.edu. University of New Haven 300 Boston Post Road, West Haven, CT 06516. The University of New Haven is an Affirmative Action/Equal Opportunity Employer; *A Leader in Experiential education*.
